

# Madison High School Spirit Pack

The Madison High School Spirit Packs by HUDSON & Company are HOT, HOT, HOT!!!

The Simple drawstring design is customized and comfortable to wear. Made of Ultima Weave fabric the Spirit Pack is 14" x 17", durable, colorfast and made in the USA.

The design captures the spirit of Madison High School with a depiction of megaphones and mascot name. It's a unique way to remind Cheerleaders, Coaches, Parents, neighbors, and Sponsors of their affiliation with Madison High School and it's sure to become a crowd pleaser.

The Spirit Pack is available in the school colors at a cost of \_\_\_\_\_ each.
