August 3, 2010

In order to maintain compliance with a new law from the Department of Public Safety (DPS), all volunteers will have to re-apply for volunteer status for the 2010-2011 school year. Volunteers will be able to re-apply online to reactivate their volunteer account starting August 5, 2010. Go to www.neisd.net click on "Volunteers/Partners" in the red Parents tab, and then click on the "online criminal history check" button. Volunteers will then authorize the new DPS Computerized Criminal History Verification after entering their volunteer information.

For volunteers who do not have access to the internet, the new two page Volunteer Application can also be printed from the "Volunteer/Partners" Volunteer Program page by an NEISD campus and distributed to the volunteer, then returned to an NEISD campus.

The only exception to re-applying would be those volunteers who recently applied after June 1, 2010. They have already completed the necessary forms.

This new application process should not affect V-Volunteer accounts. Volunteers will be able to log onto V-Volunteer with the same login and password as they have always used. Please let me know if you have any questions.

Thank you,
